FERNANDO SIAPCO III

FULL STACK DEVELOPER

PROFILE

To find a challenging career in an esteemed organization, so that I can grow professionally while earning a good reputation among my peers. I am seeking a position that will utilize my skills and expertise, while offering the chance for advancement. Offering many years of progressive experience in owning web-based projects from concept and design through testing, implementation, and client updates. Diligent about producing exceptionally clean, strong, and secure code. Successful at achieving browser, device, and operating system compatibility objectives while satisfying client desires, and producing robust, sophisticated designs.
